Maplevale Farms Customers,

As you know, we had to cancel our Spring Food Show that was scheduled for April 1st.

In an effort to help you fight for your part of the food away from home industry we have turned our show into a "No Show Food Show". This means that you will earn Food Show Allowances on over 2,300 items. These allowances start to accumulate with deliveries on April 13th and continue through deliveries on June 12th.

We hope that this will help you in this unprecedented time.

As we have said many times before, our success is tied directly to your success. We are a family owned business just like yours, let's fight this together!

We appreciate your business and we look forward to continuing our business relationship and our friendship far into the future.

The Neckers Family and all
Maplevale Farms Associates
